---

The stories in this second series of L. A. Hill's widely known **Stories for Reproduction** are all new. Each story is followed not only by comprehension questions but also by a variety of other exercises.

**Introductory Stories for Reproduction 2** contains 30 stories, each about 150 words long with a page of exercises opposite each story. Vocabulary is restricted to L. A. Hill's 750-headword level, and the grammatical structures are also strictly controlled. A word list is included at the end of the book.

The four books in the series are:

**Introductory Stories for Reproduction 2** (750-headword level)

**Elementary Stories for Reproduction 2** (1000-headword level)

**Intermediate Stories for Reproduction 2** (1500-headword level)

**Advanced Stories for Reproduction 2** (2075-headword level)
